Institution Name *	Chandigarh University ▼

I provide my consent to DigiLocker to share my details with the Issuers for the purpose of fetching my documents.

Step 7: Click on get document and u will get your unique ABC id

Get Document

Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), in the sense, NAD is the backbone of ABC, where the students' academic data are held and academic awards are stored (i.e. storehouse of academic awards). Despite the fact that ABC enables students to register or commence credit transfer, the final outcomes of credit redemption and issuance of certificates, as well as the compilation of award records, are administered by academic institutions via the NAD Platform. Hence being the owner of academic awards, Academic Institutions must mandatorily register themselves under ABC via NAD

Step 8: This ur ABC id
